

# Industrial Ethernet Switch

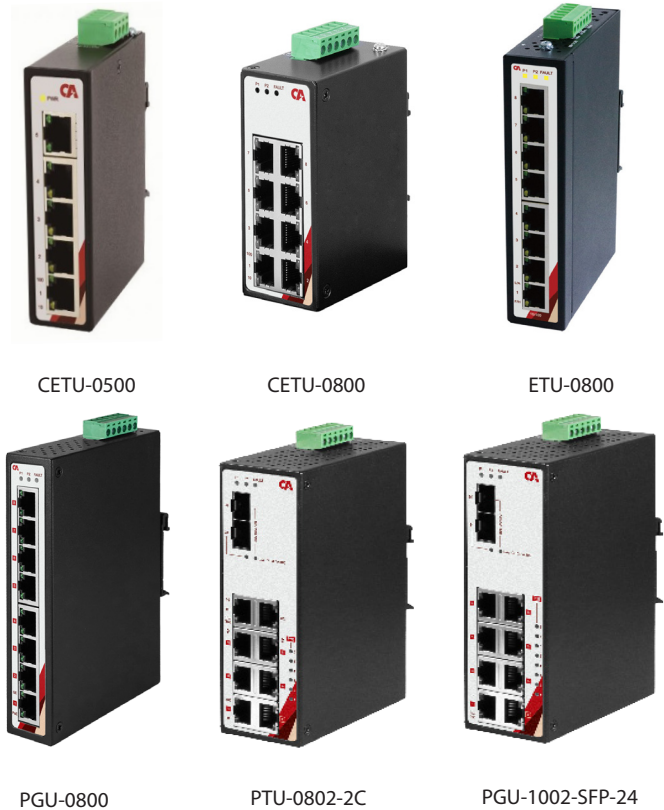

Series CETU, ETU, CPGU, EGU, PGU, PTU  
5/ 8/16 ports  
10/100/1000Tx Fast Ethernet  
Suitable for DIN or wall mounting  
Rugged metal case design

## Industrial Ethernet Switch

### Technical Specifications:

- IP30 rugged metal case design
- Suitable for DIN-rail or wall mounting
- Detachable terminal block
- Operating temperature range: -10...+65 °C
- Extended temperature range version „T“: -40...+75 °C
- Input voltage: 12...55 VDC, redundant input
- LED indicators
